SAUDI B2B TRADING & PROCUREMENT HUB • DAMMAM, KSA

Industrial, Chemical & Agricultural Trading Solutions

Better Supply Trading Establishment supports industrial and commercial buyers through product sourcing, specification-based procurement and coordinated supply solutions. We help customers identify suitable materials, obtain competitive quotations and manage purchasing requirements across Saudi Arabia, the GCC and international markets.

Our approach is built on understanding customer requirements, clear commercial communication, careful product matching and dependable coordination from inquiry to delivery.

ABOUT BETTER SUPPLY TRADING

Headquartered strategically in Dammam, Eastern Province, Better Supply serves as an agile commercial trading intermediary and supply partner. Leveraging our proximity to major port infrastructure and industrial hubs (Jubail, Dammam, Ras Al Khair, Riyadh), we coordinate specification-based procurement, commercial quotation review, and dependable supply arrangements for industrial plants, agricultural operators, and EPC contractors across Saudi Arabia and the GCC.

01 Commercial Mission

To connect manufacturers, distributors, and commercial buyers through efficient sourcing, transparent communication, and dependable procurement coordination.

02 Vision & Economic Alignment

To develop a recognized international trading house supporting Saudi Vision 2030 through industrial diversification, agricultural resilience, and dependable global trade corridors.

THE 4-STEP PROCUREMENT PROCESS

01 Share Requirements

Submit product specifications, required quantities, purity thresholds, packaging preferences, and delivery timeline.

02 Specification Review

Our team reviews specifications, identifies suitable materials, and verifies compliance through trusted sourcing channels.

03 Commercial Quotation

We prepare a clear, competitive commercial offer based on agreed Incoterms, verified product parameters, and transparent pricing.

04 Delivery Coordination

Upon order confirmation, we coordinate supply scheduling, shipping documentation, and dependable delivery logistics to your facility or port.

COMMERCIAL PRODUCTS & SERVICES PORTFOLIO

1. Agrochemicals, Pesticides & Agricultural Products

Agricultural Inputs & Crop Care

Commercial crop nutrition, urea (46% N), tailored NPK compound fertilizers, DAP, SOP potassium sulphate, soil conditioners, and natural India-origin coco peat growing media.

- Agricultural Chemicals & Plant Nutrients
- Crop Protection Inputs (Subject to Approvals)
- Urea, DAP, MAP & Soluble NPK Blends
- Soil Conditioners & Humic Amenders
- Agricultural Raw Materials & Minerals
- Compressed Coco Peat & Coir Grow Bags

2. Industrial, Specialty & Water Treatment Chemicals

Industrial & Specialty Chemicals

Comprehensive sourcing of industrial base chemicals, RO membrane antiscalants, sodium metabisulfite (SMBS), polyaluminium chloride (PAC), caustic soda, and industrial cleaning agents.

- Industrial Base & Specialty Chemicals
- RO Membrane Antiscalants & Biocides
- PAC & Alum Water Clarification Coagulants
- Caustic Soda & Alkalinity Regulators
- Industrial Process & Cleaning Chemicals
- Drilling & Completion Brine Chemicals

3. Industrial Salt & Bulk Chemical Raw Materials

Refined, Solar, Rock & Specialty Salts

Complete industrial salt portfolio: refined vacuum (PDV), solar sea salt, rock salt, granular salt, water-softener salt, and specialty salts for water treatment, oil & gas, petrochemicals, and manufacturing. High-purity NaCl 99%+ and screened 4–6 mm grain size available as specifications.

- Refined Vacuum Evaporated Pure Salt (PDV)
- Solar Sea Salt & Natural Rock Salt
- Granular Graded Salt (4–6 mm Available Option)
- High-Purity NaCl (99%+ Purity Available Option)
- Water Softener Regeneration Salts & Pellets
- Specialty Chemical Salts (KCl, $CaCl_2$, $MgCl_2$, Na_2SO_4)
- Applications: Water Treatment, Oil & Gas, Petrochemicals
- Packaging: 25kg / 50kg Bags, Jumbo Bags, Bulk Cargo

4. Building & Construction Materials

Structural steel, piping systems, plumbing, HVAC, electrical, waterproofing & civil EPC materials.

5. Industrial Machinery & Equipment

Manufacturing machinery, workshop tools, industrial pumps, compressors, and material handling.

6. Industrial Spare Parts & Components

Precision mechanical parts, bearings, seals, hydraulic/pneumatic valves, and OEM-compatible spares.

7. Mechanical, Electrical & Industrial Supplies

Industrial hand & power tools, safety PPE gear, industrial cables, and general engineering supplies.

8. Other Trading Products & Specialized Equipment

Corrugated cartons, packaging bags, office machinery, and specialized commercial utility vehicles.

9. International Sourcing, Import & Export

Cross-border manufacturer sourcing, South Asia corridors, bulk commodities & supply chain management.
